

NELSONS MOULDING AND FRAME 2018 PRINT FRAME COMPETITION

THIRD PLACE - WATERFRONT FRAMING

Diane Wollenslegel, owner of Waterfront Framing, received 3rd Place at Nelson's Moulding and Frame's Print Competition on April 22, 2018. Diane competed against 16 other Framers in a competition that displayed their skills as "Custom Picture Framers". Diane truly captured the essence of creating a custom piece by designing a personal shadowbox of her husband's military medals. She used special cuts around the patches. The extra depth between the mats created shadowing around each opening. A name plate displaying the military information and a photo of the original submarine. A special touch of Nelson's "Star Fillet" moulding giving the piece a true military feel. To view this stunning piece of art, stop by 606 B Ship St., St. Joseph, MI 49085.
